Roger et al.,

In (another) effort to resume negotiations, the Company proposes that the parties meet this week in Indianapolis, at a location TBD. As we have stated from the beginning, the Company is willing to consider any proposals from the Union including proposals that would preserve a pathway for transitionals to legacy wages and benefits. At the end of the day, we have a responsibility to these employees – which is to engage in good faith bargaining toward a replacement agreement that gets them back to work.

We are hoping the Union is willing to resume negotiations.
